V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The employer denied my counter offer of \$20,000 for my punitive damages. I reported my concerns immediately while employed at ABC home and Commercial Services. I was humiliated, attacked, by two employees and there was nothing done about it. I did not feel protected neither party including me was sent home for the day, nor was there any separation asked to be removed from the environment to focus on my daily task. The day that I was wrongfully terminated, with doctor's notice per the handbook. I was retaliated against due to me going to higher management. My confidentiality was breached. My employee file was tampered and or altered without my knowledge. PTO form was excused and approved. Then changed to unexcused while I was under Doctor's care. It's mind-boggling how it changes from excused to unexcused when it was approved in advance.
